

IN THE CLAIMS

This claim listing is provided for the Examiner's convenience as no claim amendments are introduced below.

1.-2. (cancelled)

3. (previously presented) A golf club head comprising:

a primary body having a face portion, a crown portion, a sole portion, a hosel, a heel portion, and a toe portion; and

said toe portion having an opening formed therein.

4. (previously presented) A golf club head according to claim 3, said toe portion has a ledge disposed around a periphery of said opening extending toward the center of said opening, and a toe cover component coupled to said ledge covering said opening.

5. (previously presented) A golf club head according to claim 4, said toe cover component is comprised of a composite material.
